

# **CARD SHARK RULES**

- Player instantly wins \$5.00 for a full Punch Card.
- If the player gets to the 3rd Card they will win \$10
- They may risk the \$10 to get to the 5th card & win \$25
- If successful they may risk their \$25 and pick the suit of the last card for \$50
- If at any point their guess is wrong they will drop down to their original \$5
- If the player gets to the 5th card everyone at the table wins \$5
  
- A Push or tie is considered a loss
- There is 1 Joker in the Deck (Wild)
- Aces are high
